

## Instructions for 2023 Admissions Test in Edulastic

This year, the Admissions test will be administered through Edulastic. Applicants can see a sample test by logging into the Edulastic site as shown below so that they are familiar with guidelines and procedures.

1. **Edulastic.com** <https://edulastic.com/> click the orange JOIN FOR FREE button, then click **As Student**.

Use the **CLASS CODE V2IFUGIC**

**Important:** In the Name box, enter the following: Last Name, First Name. In the Username/ Email box, enter a personal email address. You can use a password of your choice.

The practice test is set up to give you an idea of what the entrance test will look like.

1. May I use a Calculator? Scrap paper?

No to the smart watches, cell phone and calculators- you will not be able to use these on the day of the test. You may use scrap paper as needed.

1. May I take a break?

The test has two sections – Math (60 minutes) and English (45 minutes). We expect that the applicants will be able to work through both sections of the test without taking a break. No food or water will be allowed during the test, to prevent spills and damaged technology.
